DETAILED ACTION

This Office action is in response to the amendment filed June 21, 2007.

Status of the Claims

Claims 1-5 and 7-133 have been canceled. **Claim 6** have been amended in order to be present as a method claim (previously a product claim). **Claim 134**, a method claim, has been added. **Claims 6 and 134** are currently pending and under examination.

Withdrawal of Objections and Rejections

The objections and rejections not explicitly restated below are withdrawn due to applicants' response in amendment filed June 21, 2007.

Restriction Requirement

Newly amended **claim 6** and submitted **claim 134** are directed to an invention that is independent or distinct from the invention originally claimed for the reasons stated in restriction requirement mailed November 11, 2006.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, **claims 6 and 134** are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

Conclusion

No claims are allowed

Applicants' amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
